Special appeal

As most of you know, **Allemand and Joan Bain**,
have a daughter, **Jirene**. She recently
finished school at Knox College in Jamaica and is
now in her first year of college in Manchester there.
As part of the course, she is to spend two months in
Panama from September. It has come to our atten-
tion that this will cost an additional \$2000. Please
pray and ask the Lord whether you can help with
this situation.

Contributions can be made through the offering
– but clearly mark them – or taken to the office.
